

Want to learn analytics? Start right here.....

# A WORKSHOP ON DATA ANALYTICS USING R

**OCT 13, 2017**

Resource Persons – **Dr. Keerti Jain**

**Dr. Smita Sood**

Limited Seats Available

Register Now!

Registration Fee: Rs. 500 /-

Last date: 10/09/2017

Students and Faculties of all programs are invited

## Data Scientist

The hottest Job of 21st century

## R-Language

An Open Source

## R Programming

Most popular Statistical Programming Language in the world

## Used in

Biostatistics  
Business Analysis  
Marketing Research  
Prediction Modeling  
Econometrics

**Come Join today !**

You won't regret it ...

## WORKSHOP COORDINATORS

MS. PERNIA SHARMA  
ASSISTANT PROFESSOR

For registration contact

**GD GOENKA  
SCHOOL OF  
ENGINEERING**

***A WORKSHOP ON “DATA ANALYTICS USING R”  
(13<sup>th</sup> Oct, 2017)***

School of Engineering, G D Goenka University, Gurgaon is organizing a **workshop on “Data Analytics Using R”** by providing hands on experience in designing and executing appropriate analytical tools using an open source – R.

**Objectives of the Workshop:**

- To enable the participants to use of various statistical data analysis techniques in research.
- To give the participants an exposure of widely used open source software – R.
- To impart the participant’s capabilities to be able to interpret software output.
- To provide the participants a foundation of the emerging field of analytics.

**For Whom:** Undergraduate\ Graduate\ Post graduate\Executive students\ Research Scholars and Faculty member who are interested to analyse their data in the areas of Engineering, Management, Commerce, Psychology, Sociology and other allied disciplines.

**Prerequisites for participation:**

- Curiosity to learn Data Analysis through action learning and practice.
- Ability to operate Computer-Windows and MS office package.
- Basic knowledge of Statistics

**Pedagogy:** The workshop will be skill oriented and would emphasize hands on data analysis using R software. The pedagogy will be the thoughtful mix of class room activities such as lectures, group discussions, exercise, case studies and practical training of R language. The classes will be held in a fully networked and air conditioned computer lab and personal attention will be given to each participant.

**Focus Areas:**

- Introduction to R language
- Statistical Modelling with R

**Materials provided:** Registration kit.

**Enrollment Restrictions:** Enrollment is limited to 40 seats, registration will be on the basis of first come first served. The School of Engineering, reserves the right in selection of the participants. (No. of seats may vary).

**Participation Fee:** INR 500 (Fee includes the teaching material, free transportation from university’s designated bus stops to university campus and lunch).

A **certificate of participation** will be issued for attending the programme.

**Workshop Coordinator:**

**Ms. Prerna Sharma**  
**Assistant Professor**
